COLREGs Quick Guide: Key Maritime Navigation Rules

Essential COLREGs Summarized – Right of Way, Lights, Sound Signals & More

Navigating the waters safely isn't just about skill—it's about knowing the rules of the road at sea. While every part of the **International Regulations for Preventing Collisions at Sea (COLREGs)** is critical, this guide focuses on the **core principles** every mariner should have at their fingertips.

Think of this as your **quick-reference cheat sheet**—not because the rest of the rules don't matter (they absolutely do!), but because mastering these key definitions, right-of-way hierarchies, and signals will keep you out of trouble in most common situations.

1. DEFINITIONS (Rule 3)

- **Vessel Engaged in Fishing:** Using nets, trawls, or gear that restricts maneuverability (not trolling).
